

If you **smell gas** at home:

Ensure gas appliances haven't been left on and unlit.

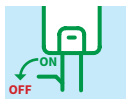

Don't smoke, vape or use a naked flame.

Don't unplug or switch anything electrical on or off.

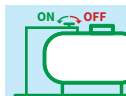

Open windows and doors to let the gas disperse.

Depending on your supply type turn off the gas at the supply, at either the :

- Meter
- Bulk tank
- Cylinder(s)

If cylinder is indoors, remove cylinder to a well-ventilated outdoor area.

Note: Only Butane (yellow) cylinders are permitted indoors, Propane cylinders must always be stored and/or connected outdoors.
